No.G.R.31(k). Public Works Department,
Belgaum: 1 St ~~April~~ May 1951.

To

The Chief Engineer,
Public Works Department, BOMBAY.

Subject:- Fixation of pays of Overseers & Surveyors on the Work-charged Establishment who were brought on the permanent establishment with effect from 1-4-1943.

Reference: G.L.No. 3486/36-XIII-E(II) of 18-9-1950.

It is now verified from the Service Books of the seven subordinates of this Circle, referred to in the above Government letter that all of them were borne on the temporary and not work-charged establishment prior to 1-4-1943 from which date they were brought on to the permanent Establishment against the posts sanctioned in G.R.(P.W.D.) No. 3486/36, dated the 19th November 1943. Since they were borne on the temporary establishment on 1-4-1943, their pays as shown in Column 10 of this office statement No. G.R. 31(k) of 25-11-1949, were correctly fixed in accordance with para 4 of G.R.(P.W.D.) No. 3260/36 of 19-11-1943 by applying 16% or 6⅔% as the case may be. There was therefore no irregularity in fixing the pays of the subordinates in question.

2. It is however regretted that this office report No. G.R.31(k) of 9th May 1950 submitted to Government saying that the pays fixed in the case of the above subordinates were higher than the initial pay of the time scale to which they were entitled was not correct and it came to be submitted because it was then presumed that they were borne on the work-charged establishment on 1-4-1943, according to certain documents available in this office.
